

SWEDEN!

Stenungsund 28/I - II

Hello Chase!

Now I'm going to tell you about Sweden!

In Sweden we have a lot of animals, like moose, seals, wolves, beavers, bears, and so on. But all these animals like to live when it's cold.

Sweden is a small country with 9 millions people. It's very cold here, almost always.

We have got monarchy, and our capitals name are Stockholm. That's where our king lives.

The most people lives in south Sweden.

The Royal Family of Sweden.

We have a lot of holidays in Sweden. We celebrate Halloween, Midsummer, Christmas, Easter and New years eve. The biggest holiday are Midsummer and Christmas.

We have a lot of famous people here in Sweden too, like Zlatan Ibrahimovic (football player), Dalibor Doder (handball player) Marcus Hellner (skier), Therese Alshammar (swimmer) and Björn Borg (former tennis player).
